Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ARMY CIRCULAR.**No. 4.—1867.***War Office, 1st May, 1867.*

The following Regulations and Instructions are promulgated to the Army by direction of the SECRETARY OF STATE FOR WAR, in accordance with the arrangements detailed in Army Circular No. 1 :—

FINANCE.**19.—Military Foremen of Works.**

The Secretary of State for War, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, has sanctioned the following regulations for the employment of non-commissioned officers of the Royal Engineers, as military foremen of works.

Military foremen of works will be selected from the non-commissioned officers of the Royal Engineers, and will be appointed by the Secretary of State for War on the recommendation of the Director of Works.

They will receive, in addition to their regimental pay, departmental pay at the following daily rates :—

1st Class	3s. 6d.
2nd Class	2 6
3rd Class	2 0

Temporary foremen of works, appointed for short periods only, will receive, while so employed, departmental pay at a daily rate of 2s. in addition to their regimental pay.

Military foremen of works of the first class will rank as serjeant majors; of the second class, as quartermaster serjeants; of the third class, as serjeants.

Military foremen of works will be allowed to draw rations, subject to the usual stoppage for the same, and will be provided with lodgings, and fuel and light, or receive an allowance in lieu thereof as first class staff serjeants, if of the first or second class; or as second class staff serjeants, if of the third class.

Military foremen of works will be allowed to reckon service as such towards pension.

Military foremen of works will be liable to be sent back to their regimental duties, either on account of their services being no longer required or on account of incapacity or misconduct.

20.—Servants.

If a regimental officer selects a soldier on the married establishment for his servant, the public must be put to no extra expense on account of the man's wife and family, consequent on the officer taking him away from his corps when ordered on any special duty.

PURVEYORS' BRANCH OF THE HOSPITAL DEPARTMENT.**21.—Medical Comforts.**

Medical comforts prescribed for men on commissariat rations, under W. O. Circular 916, and entered in the diet sheets, W. O. Form 1145, will be abstracted on W. O. Form 1202, to which they will form vouchers; and the total of the issues, as per abstract, will be charged by the purveyor in his provision account rendered on W. O. Form 983 or 984.

ROYAL ENGINEER DEPARTMENT.**22.—Forms of Tender.**

With reference to War Office Circular No. 526, commanding Royal Engineers are informed that the Secretary of State for War has approved of an alteration in the form of tender for works and repairs (W. O. Form 1521), and that in furtherance thereof

ARMY CIRC. No. 4—continued.

clauses 21 and 22, relating to arbitration, have been struck out, and a new clause (No. 6 in the revised form), inserted as follows:—

“ 6. Should the contractor be required by the superintending officer to execute any work, or to supply any labour or materials, which, according to his construction of the contract, are not provided for therein, he shall forthwith give notice, in writing, to the superintending officer, that he shall require to be paid for the same as extra work. The contractor shall, however, proceed to act upon such requisition (unless or until the same be countermanded) so that neither the execution of the work, nor the supply of materials, may be delayed by any difference or controversy upon the construction of the contract; and it is expressly agreed that no claim shall arise under this clause, but upon such notice as aforesaid being given to the superintending officer within seven days from the requisition to execute work.”

Contractor to give notice of claim for works not provided for, according to his construction of contract, and the work not to be delayed thereby.

The new form can be obtained on demand in the usual manner, and commanding Royal Engineers are requested to adopt it in all future lump sum contracts, except for loan works, the special form for which can be procured, when required, on application by letter to the Director of Works.

STORES.

23.—Prices of Stores.

New lists of prices for barrack and hospital stores, corrected to the present time, are printed as an appendix to this circular. Barrackmasters and purveyors will regulate the charges against the troops accordingly.

Circulars No. 769 and 770 are hereby cancelled.

24.—Browning Arms.

The several ingredients for making “mixture for browning arms” will in future be issued to military store officers in bottles. They will be supplied in the proportions shown in the annexed table, and care must be taken to demand by quarts, gallons, &c., stating in each demand the number of bottles in which the ingredients are required to be packed.

One quart of mixture is sufficient to brown 100 stand of muzzle-loading arms; breech-loaders of the Snider pattern require an additional 10 per cent. Materials for less than one quart of mixture will not be supplied to home stations, nor for less than a gallon to foreign stations. Rain-water must be invariably used for dissolving the ingredients.

General instructions for browning gun barrels are appended.

Circular 653 is hereby cancelled.

General Instructions for Browning Gun Barrels.

In mixing the ingredients dissolve the blue vitriol in cold rain-water, and add the other ingredients subsequently.

1st. Coat the barrels with wet lime, clean them with dry lime, and brush and wipe them with coarse linen cloth. Coat them with the mixture with a sponge, and then let them stand in the drying room, heated to 90° Fahr., for twelve hours.

2nd. Scratch them with wire card, after which let them stand one hour to get thoroughly cold, coat them and let them stand in the drying room six hours.

3rd. Scratch them with wire card, let them stand one hour, coat them and stand them in the drying room six hours.

4th. Scratch them with wire card, let them stand one hour, coat them and stand them in the drying room six hours, after which immerse each barrel for five minutes in a copper of boiling water, then let them stand one hour, coat them and stand them in the drying room six hours.

5th. Scratch them with wire card, let them stand one hour, coat them and stand them in the drying room six hours.

6th. Scratch them with wire card, let them stand one hour, coat them and stand them in the drying room six hours.

7th. Immerse them in boiling water, after which scratch them with wire card.

8th. Immerse them in boiling water, finish them with wire card, and then oil them.

ARMY REC. No. 4—continued.

Memorandum.—It will be observed that the time allowed for drying is, in the first instance, twelve hours, and in the subsequent stages six hours. The barrels will generally be dry in the latter time; but as the atmosphere has a great effect upon the acids, of which the brownish mixture is composed, this will not be *invariably* the case. It can be easily ascertained whether the barrels are dry or not by applying the steel scratch card, when, if dry, the rust will fly off quickly, but if not dry, the rust will adhere firmly, and the barrel will have a streaky appearance. Before the mixture is applied to the barrel, the nipple hole should be carefully stoppered up, to prevent any water or brownish mixture getting inside, and the muzzle should also be stoppered with a peg, made of pine or deal, about twelve inches long, four inches of which is to be inserted in the barrel, the remainder serving as a handle for the workman. The breech end of the barrel of breech-loading arms must be closed with a cork.

EDWARD LUGARD.

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

NEW SERIES. APRIL, 1867.

No. 29.—Dress of Officers.

I. Her Majesty the Queen has been pleased to approve of a slight alteration in the patrol jacket now worn by the officers of the Royal Artillery.

II. The approval of her Majesty has also been obtained for a similar patrol jacket, with the addition of blue velvet collar and cuffs, being taken into wear by the officers of the Royal Engineers.

III. Standard sealed patterns of these patrol jackets are deposited at the Horse Guards, and are to be strictly adhered to.

No. 30.—Clothing.

Her Majesty has been pleased to approve of the officers and men of the 99th (Lanarkshire) Regiment of Foot wearing forage caps with diced borders, similar to those worn by other regiments having a Scotch origin.

No. 31.—Clothing.

Officers commanding regiments and corps serving in the United Kingdom will be pleased to deliver the cholera belts in their possession into the charge of the nearest military store officer, so as to avoid the necessity of their removal with the corps from one station to another.

No. 32.—Deserters.

The attention of the Field Marshal Commanding in Chief having been drawn to cases in which the instructions contained in the 34th clause of the Mutiny Act have not been carried out; His Royal Highness desires it to be distinctly understood that every person who is apprehended on suspicion of being a deserter from the Army must, in the first instance, be brought before a magistrate, who will decide whether the evidence is sufficient to warrant his detention in civil custody, until removed by an order from the Secretary of State for War.

No. 33.—Retirement of Officers.

Referring to Circular Memorandum of the 27th December, 1866, No. 388, suspending the operation of the Circular Memoranda of the 15th February, 1861, No. 106, and the 28th February, 1862, No. 186, His Royal Highness the Field Marshal Commanding in Chief, at the request of the Secretary of State for War, notifies to the Army that the suspension is removed, and that the sale of commissions by half pay officers may now be carried out as before.

No. 34.—Reports of Arrival.

I. Referring to General Order, No. 750, dated 11th May, 1860, the Field Marshal Commanding in Chief, at the request of the Secretary of State for War, desires that it may be understood that only general and field officers returning home on duty, or on medical certificate, are entitled to claim travelling expenses from the port of disembarkation to London when coming to report themselves personally at the Horse Guards.

II. General and field officers who return home on private leave of absence are not entitled to travelling expenses, but His Royal Highness still expects that they will continue to report themselves personally at the earliest opportunity. In the event of any inconvenience being occasioned to them by coming up to London, they should report their arrival by letter to the Adjutant General, and at the same time request to be exempted from personal attendance.

GEN. ORDERS—continued.

No. 35.—Officers for Military Store Department.

The Secretary of State for War having intimated that there are vacancies in the Military Store Department to which subaltern officers now serving may be appointed, His Royal Highness the Field Marshal Commanding in Chief requests that commanding officers will forward, without delay, the applications of candidates for appointment as deputy assistant superintendent of stores, under paragraph 310 of the Royal Warrant dated 3rd February, 1866.

The application should be made according to the subjoined form, and should be accompanied by the recommendation of the commanding officer, and a medical certificate of fitness for general service.

No. 36.—Examinations.

Many instances having lately occurred in which subalterns who have been some time in the service, have not passed the necessary examination as to their qualification for promotion, the Field Marshal Commanding in Chief holds commanding officers responsible that no unnecessary delay shall take place in this important particular, as His Royal Highness has decided that in all future cases of this nature he will select the senior officer who has qualified for promotion to the higher grade.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ARMY CIRCULAR.

No. 5.—1867.

War Office, 1st June, 1867.

The following Regulations and Instructions are promulgated to the Army by direction of the SECRETARY OF STATE FOR WAR, in accordance with the arrangements detailed in Army Circular No. 1 :—

FINANCE.

26.—Advances to Officers proceeding to India.

Staff and departmental officers to whom advance pay is issued on proceeding to India will report the date of their arrival in that country to the Secretary of State for War, and will state at the same time in what manner the balance of the advance pay has been adjusted.

The date of arrival of regimental officers and the manner in which their advance pay has been adjusted will be reported by the paymasters of their corps.

27.—Payment of Claims for Allowances.

In future the claims of the following departmental officers serving in the United Kingdom, viz. :—

Medical officers not attached to regiments: Dispensers: Purveyors: Veterinary surgeons not attached to regiments, for allowances in lieu of forage, lodging, fuel, and light, will not, as heretofore, be transmitted to the War Office for examination and sanction, but will be paid by the accountants who issue the pay of these officers. All claims, therefore, for periods subsequent to 31 March last, will be forwarded to the accountants concerned, on W. O. Forms 1003 or 1377.

28.—Railway and Passage Warrants.

The following additional instructions respecting the issue and payment of railway and passage warrants are issued with reference to the War Office Circulars of the 24th August, 1849, and 15th September, 1858. [W. O. Circulars 1029 & 316.]

(1) The officers by whom warrants are issued will invariably select the most expedient and least expensive routes when these details are left to their discretion. They will specify on the warrants any particulars which may be necessary for the guidance of the soldiers, or of the railway or steam-boat companies.

(2) When the conveyance of children is demanded, their ages will be stated in words on the face of the warrants, in addition to the other particulars required by the Circular of 15th September, 1858.

(3) When a warrant issued by one paymaster has been made payable by another, and the latter does not think himself responsible for its settlement, he will *not return it to the district paymaster who has paid it*, but will communicate with the issuer, and when he has ascertained the responsible person, he will transmit the warrant to such person, and notify his having done so to the district paymaster, in order that the latter may know to whom he is to look for reimbursement.

(4) In any case of obvious overcharge, or error of computation, the district paymaster who has admitted the same will be held liable for its correction, but not when the overcharge has arisen from causes over which he has had no control.

(5) Whenever warrants may be issued to enable soldiers to rejoin their regiments from furlough, they will be made payable by the paymaster of the regiment to which the men belong, and the fact of the issue of the warrants will be immediately notified to that officer, as well as noted, with the date thereof, on the furlough papers.

The following words will also be written on the face of the warrants in red ink :—

“For — of — regiment, returning from furlough, in *regimentals*.”

(6) Whenever it may be necessary to effect any alteration in railway or passage warrants after issue, the person in charge, or the officer who should alter the warrant,

ARMY CIRC. No. 5—continued.

will be held responsible for the alterations which it may be necessary to make during the performance of the service ordered, and, with reference to clause 3 of the Circular of the 15th September, 1858, he will append his name instead of his initials to the alterations so made under his responsibility.

(7.) Paymasters will invariably annex, as vouchers, all warrants issued on the public service, and on which charges are made in their accounts.

NECESSARIES.**29.**

Commanding officers will, in future, transmit with the periodical requisitions the necessities, a statement showing the total issues during the previous six months, if the corps be at home; or during the previous twelve months, if the corps be abroad.

Before demanding supplies from this country, commanding officers in the colonies will apply to the Military Store Officer at the station to ascertain whether he can issue from store any of the necessities required.

Pipeclay will not be supplied from Pimlico, except for use on board ship as part of the authorized sea-kit.

STORES.**30.—Surveys and Remains of Stores.**

The following rules will in future be observed in the conduct of surveys and remains of stores:—

1. When an officer of the Barrack or Purveyors' Department succeeds another in charge of a district, an independent officer of one of the departments attached to the army will be appointed at home by the head of the department; abroad, by the general officer commanding, to take stock and witness the transfer of stores, and to act as arbitrator between the outgoing and incoming officers. After the transfer has been completed, the witnessing officer will send direct to the Under Secretary of State for War the original store account signed by the three officers concerned.

The transfers of stores in charge of military store officers will continue to be made on the present system, as laid down in the Ordnance Regulations and Circular No. 498.

The transfers of stores in charge of commissariat officers will continue to be made on the system now in force.

2. Surveys of stores for condemnation as unserviceable, belonging to the Barrack and Purveyors' Departments, will be made by a Board appointed on the spot, composed of a departmental officer, not belonging to the department the stores of which are about to be surveyed, and a staff or regimental officer.

The local head of the department concerned will apply to the general officer commanding to nominate the Board, and the authority for the survey, together with the list of unserviceable stores authorized to be surveyed, will be transferred to the Board for its guidance.

In the event of no special instructions having been issued from the War Office by the head of the department as to the disposal of the stores after condemnation, his local representative will advise the Board as to the articles which should be sold or reserved for conversion into other serviceable stores, or for repair, for firewood, or for other public service.

In any case the articles must be broken or torn up in the presence of the Board, in order to render them quite useless for their original purpose, and in order that they may not be again brought forward for survey.

The members of the Board will be present at the sale and removal of the stores, and will clearly record in the minutes of survey the mode of disposal of the articles, the weight of wood set apart for fuel, the number of pieces of woollen and linen articles retained for repairs; and the weight of the same material otherwise disposed of is to be shown in the bills of sale and statements of bedding condemned.

The original copy of the minutes of survey will at once be placed under seal by the Board, and forwarded direct to the Under Secretary of State for War, and a duplicate will be left with the local departmental officer.

3. At home the head of the department concerned will be at liberty to send an officer to hold surveys of stores for condemnation as unserviceable whenever he may deem it expedient to do so, instead of appointing a Board.

4. The system of half-yearly reports and surveys in force in the Military Store Department (Ordnance Regulations, Art. 420 to 437, &c.) will be maintained. The

ARMY CIRC. No. 5—continued.

surveys for the condemnation of stores in charge of commissariat officers will continue to be conducted on the system now in force.

5. Periodical inspections of barrack and hospital stores, to ascertain that they are maintained in a satisfactory condition, will be held, at home, at the discretion of the heads of the departments, and abroad, at the discretion of the general officer commanding, by means of such officers as they may think proper to appoint.

In the case of the Military Store Department, such inspection will continue to be made annually as prescribed by Circular 498. In the case of the Commissariat Department the existing regulations will be adhered to.

6. The chief auditor is authorized to make arrangements for examining and counting any description of stores at any station, whenever he may deem such a course desirable for the verification of the accounts and statements which he receives. In each case he will send a notification to the head of the department concerned, and to the general officer commanding the station at which the inspection is about to take place.

31.—Horse Sponges.

Commanding officers of mounted services are informed that the present price of horse sponges is 2s. 3d. each, and this sum will be charged for those supplied from public stores on repayment, or to replace losses by neglect.

REGIMENTAL CANTEENS.

32.

1. The Secretary of State for War, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, has sanctioned the following changes in the existing arrangements connected with canteens under the regimental system.

2. The *beer engine*, with the necessary pipes and taps, will, in future, be the property of the public. The usual per centage will not be charged for the use of the apparatus, but it will be kept in thorough working order by the canteen committee out of canteen funds. When a regiment surrenders a canteen, on leaving a station, the beer engine, with the pipes and taps, will be examined, at the marching out inspection, by a member of the Royal Engineer Department, who will assess the amount, if any, necessary to place the entire apparatus in thorough working order. The amount so assessed will be immediately paid by the canteen committee to the barrackmaster at the station, to be expended by him in putting the apparatus at once into thorough working order, to the satisfaction of the Commanding Royal Engineer at the station.

3. The following articles will, in future, be supplied at the public expense when required:—

Coffee mill, with brass hopper, for the canteen bar.

Rollers for blinds, for the canteen generally.

Large weighing machines with weights.

Frames with steps.

The usual per centage upon their value will be paid to the barrack master out of canteen funds.

4. Where the articles named in paragraphs 2 and 3 have been paid for by canteen committees, the amount paid by the committee now in possession of the articles will be repaid to it on application to the War Office.

5. Where *drinking tables with mahogany tops* have been purchased from canteen tenants by the public, and have been subsequently paid for by committees, they will be repurchased at the public expense, as detailed in the last paragraph; the usual per centage on the cost being paid from the date of payment thereof to the committee.

EDWARD LUGARD.

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

NEW SERIES. MAY, 1867.

No. 37.—Courts Martial.

I. The Field Marshal Commanding in Chief having approved of a printed form of proceedings of courts martial, which has been submitted and recommended by the Right Honorable the Judge Advocate General, his Royal Highness is pleased to direct that the same shall be taken into use and adopted in all future trials.

II. As the adoption, however, of these printed forms by regimental courts martial might entail inconvenience in keeping the proceedings in the Guard Books at present in use, His Royal Highness desires that the whole of the proceedings of such courts should be written on the paper issued for those books.

III. Requisitions for the printed forms should be made only by generals or other officers commanding districts and divisions at home, and stations abroad, who can regulate their distribution to the staff or regiments, &c., as circumstances may render necessary.

IV. Courts martial should in cases of desertion endeavour to ascertain by evidence, as heretofore, whether the prisoner surrendered or was apprehended.

No. 38.—Arms.

It appearing that the snap-caps at present in possession of regiments of Infantry at home can be made available for the Snider breech-loading rifle, with which they are now armed, by fitting them with new leathers of an altered pattern, officers commanding regiments in Great Britain are hereby requested to send their snap-caps to Enfield, and officers commanding regiments in Ireland theirs to Dublin, when they will be altered under War Office authority and returned with as little delay as possible.

No. 39.—Recruiting.

His Royal Highness the Field Marshal Commanding in Chief, with the concurrence of the Secretary of State for War, has approved of the following reduction in the standard of height of gunners enlisted for the Royal Artillery, viz.—

Men—

From 5 feet 7 inches to 5 feet 6 inches.

Growing lads—

From 5 feet 6 inches to 5 feet 5 inches.

No. 40.—Routes (*Quarter Master General*).

Whenever guides are required to conduct helpless discharged soldiers to their homes, commanding officers should make timely application to the Quarter Master General for Routes for such services, and should forward at the same time a medical certificate, explaining the cause of each man's inability to travel by himself, with a view to these documents being transmitted to the Secretary of State for War.
